FOUNDATION, INC.

2025-2026 SCHOLARSHIP APPLICATION (Continued)

TYLER MATTHEW CURTIS HILL FOUNDATION, INC. (TMCHF) BACKGROUND:

"Believe, that you can do anything you want", Tyler Matthew Curtis Hill once said. Tyler received an honorary degree from Tennessee State University (TSU) on May 19, 2016. He was an "All American" TSU Tiger that excelled in many extracurricular activities — including but not limited to; gymnastics, track, and basketball. Tyler went on to master his passion in football playing various positions including; quarterback, wide receiver, cornerback, punt, and kick return.

Tyler was a recipient of an honorary college degree from a Historically Black College and University (HBCU). A foundation has been established in his honor to assist and encourage other thriving students to explore options that will further their education. In addition, the foundation's goal is to assist other young athletes traveling on the same journey as Tyler.

All proceeds received towards the Tyler Hill Foundation will be listed as a donation. There are many opportunities for young students to complete their studies and make their own mark in this life. Another goal of the foundation is to assist students with the same hopes, dreams, and aspirations like our beloved Tyler.

It saddens our heart to say that Tyler suddenly passed away on May 11, 2016. In his words, the foundation implores you to help a student, "believe that you can do anything you want — all you have to do is just believe."
